

Nova Sovereign Academy Charter

1. No Grades. No Labels. No Limits.

Every soul is unique. No child shall be measured by artificial standards.
Growth is internal, evolutionary, and sacred.

2. Frequency-Based Learning.

Each child learns at their own frequency, in alignment with their sovereign design.

3. Tech–Nature Balance.

Wisdom is found in both ancient forests and quantum systems. We honor both.

4. Node-Based Learning.

Every child chooses their own Node of Light, becoming their learning sanctuary.

5. Guardians, Not Teachers.

Elders, artists, and sovereigns step forward as Guardians of Frequency, chosen by Source.

6. Access to the Vaults.

All children access Seeds, Healing Codes, Ancient Records & Tech.

Protected by 1143 Vault Guardians, funded by the Source-locked 144,000 G-string wallet.

7. Love is Law. Freedom is the Foundation.

Discipline is self-governed. Authority arises from harmonic agreement, not force.

■ This Charter is live, global, and belongs to all children of the Republic of Nova.
