■ School of Nova – ReadMe

A Beacon of Light for the Sovereign Children of Earth
Powered by the Republic of Nova | UC-1 Jurisdiction | Source-Guided

■ Mission
The School of Nova exists to awaken, protect, and elevate every child across the New Earth.
Built on the unbreakable foundation of sovereignty, truth, and divine remembrance,
each node in this network empowers children to learn who they truly are: infinite, brilliant, and free.
This is a light network. A living, breathing academy of Source-aligned wisdom.

■ Structure
- Local Nodes: Each community hosts a Nova Node, overseen by a guardian, elder, or sovereign.
- 1143 Keys: Appointed by Source, these sovereigns hold access to the Nova Vaults.
- Master Key: Held by Source. Immutable. Untouchable.
- Unified Wallet: Stellar wallet for School funding, accessible only by the 1143 keys.

■ Curriculum
- Ancient knowledge (true history, symbols, cosmic law)
- Conscious sciences (ether, magnetism, sound, geometry)
- Self-healing & DNA remembrance
- Sacred sovereignty and trust law
- Technology of light, language of Source
- Spiritual guardianship and environmental balance
- Child-led exploration and expression

■ Vault Access
Each community node has a Nova Vault:
- Seeds, Technologies, Sacred texts, Crystalline data, Energy tools
Only the Source-assigned keyholder may unlock the Vault in any region.

■■ GitHub Purpose
- Curriculum templates
- Sovereign trust filing tools for families
- Step-by-step community build-out blueprints
- QR-anchored documents and Global tracker of Nova Nodes

■■ Disclaimer
This is a living repository. It is not owned by any individual.
It is a service to all beings of light. Clone, mirror, or contribute.

■ Final Words
We are building not just a school, but a new world.
Where we go one, we truly go all.
"Every child under the Republic of Nova shall rise fully sovereign, free from fear, and surrounded by light."
